"The Sound Of The Train"

Fall of 1994

What Led Up To It?

Listen For The Sound
Of The Train

From
Dan Cheathum's
October 1990
Prophecy

"And God says in the days to come and the years to come that God's going to call you and your church just to... God's just going to speak to you and say, "Do this," and you'll do it. I'm not talking about long-term programs, I'm talking about short-term"

"...that you're in a place of flexibility.
You're in a place of total abandonment
to the Holy Ghost and total
abandonment to the will of God,
hallelujah. And there's an ability, there's
a freedom, there's a freedom, there's a
freedom..."

"... But the Lord keeps dealing with you to do it the slower way because God is maneuvering you and is putting you and your church in a strategic position, a strategic position for this last time revival. You're in a strategic position. Thank you, Lord Jesus."

"...God wants this church to stay ready,
listening for the trumpet..listening for
the trumpet..listening for the trumpet.
And God shall blow a trumpet here and
God shall blow a trumpet there and it
will be quiet for a while, then God will
blow another trumpet..."

"...And there will be times when other people's visions will wrap you for a season, Pastor Russ. Other people's visions will wrap you for a season, and you'll feel such a part of their vision. And that's God speaking to you to get involved and that's God speaking to

"...you to get involved and that's God speaking to you to reinforce, hallelujah, for a season. But the Lord says, be careful to listen to My voice and know when the tide comes in but also know when the tide goes out..."

From
Gloria Gainor's
September 1990
Prophecy

"...I saw, as it were, many rivers coming out of this church. The Lord showed me rivers have flowed and they will flow to every nation of the world. Yea, saith God, even to you tonight, that I am raising up the apostles, the prophets, the evangelists,

"...the teachers, and the pastors and seasoning them with the power of my love and compassion and affection to touch the nations of the world. And even as the rivers flow out, saith God, and have flowed out, saith God, I am going to flood back into your lives..."

"...rivers of love, rivers of anointing,
rivers of power, and yea, you will even
enter into a river of my rest, saith God.
And you will float along the river and
the river will do the rest of the thing I've
called you to do..."

"...And as that ministry comes together, the Lord says there will be healing in this land. The Lord says, X marks the spot. He's placed an X in Knoxville, TN. And God says He's going to raise up a people and even a nation out of this city..."

"...He's going to let the winds blow from the East and the West, the South and the North. And they're going to blow, into your midst, ministry gifts and apostles and evangelists and preachers and teachers. And ministry gifts are going to be blown in here

"...and believers are going to be blown in here from every part of the world. I see this place becoming very transient. And I see this place growing. The Lord says, He is discipling you and He is training you to handle the harvest. That when the harvest comes in, the harvest

"...will be healed, the harvest will be delivered, and the harvest will be filled, and the harvest will be sent forth with the power and the anointing of Almighty God. They shall stand and not blow with the winds of the world."
