Dr. Hudson Taylor, 1832-1905; missionary to China, about whom it was written: “Dr. Taylor, a physician, was a man full of the Holy Ghost; entirely surrendered to God: a man of great self denial, heartfelt compassion, great power in prayer, marvelous organizing ability, energetic, wielding much influence with people, and withal of childlike humility...For 40-years the sun never rose on China, but Hudson Taylor was on

on his knees for the salvation of the Chinese.” On one of his furloughs to England in 1855, Hudson Taylor was preaching when he suddenly stopped. He stood speechless for a time with his eyes closed. When he began to speak again he explained.

“I have seen a vision. I saw in this vision a great war that will encompass the whole world. I saw this war recess and then start again, actually being two wars. After this, I saw much unrest and revolts that will affect many nations.

“I saw in some places spiritual awakenings. In Russia, I saw there will come a general all-encompassing, national SPIRITUAL AWAKENING so great that there could never be another like it.

“From Russia, I saw the awakening spread to many European countries. Then I saw an all-out awakening, followed by the Coming of Christ”
