Gwen Shaw Prayer & Prophecy

...the Lord says “I put this in your hearts because I’m not finished doing what I want to do yet in Russia. I want to visit Russia with power, with might, with visitations they’ve not had. They’ve suffered, yes it’s true, but they’ve grown weary with it all”.

And the Lord says “You’re to come and pour fresh ice water upon them and wake them up because they are a sleeping people. And I say go and pour it on them and wake them up to the Lord, because I want to visit them with the power of the Holy Spirit

such as they've never known so far.
And I will use you says the Lord and
you shall yet stand many times in that
land. You shall be a witness for me
says the Lord and I will use you for my
glory. And I will waken hearts that are
sleeping, yea that are indifferent.

There was a time when Russia was first free that the hearts were stirred to do something, but now it's become an old thing". The Lord says "You will stir it up again... you will stir it up again... you will stir it up again"! And the Lord says "I will touch hearts to get a fresh

burden for Russia. Glory to God"! Sister
Gwen: I could see you there stirring a
big pot. (Laughter) You know, when
Mama made bread, she'd pound it
over and over again. She didn't let it
rise once, did she? She's take it all
and pound it till

it was small again. That's what the
Lord is going to use you to do!
