"I think it is a building that God wants me to build and I don't want to build a building!"

June 10, 2006: Jamie Galloway -

But hum something I was seeing over you was a building and finances for a building.
And I felt like you're to build a building...

And this shall be a house of prayer – the Lord calls it - and it will be a house of prayer for all nations - not just the nation and other countries but it will be a house of prayer ...

And I see people coming in and getting disciplined and ministered to and mentored and changed and transformed...
