Thanksgiving 2019

On June 28, 1787, Benjamin Franklin, who was 81 years old and in poor health, called the constitutional convention to prayer when they were on the brink of breaking up. He declared:

I have lived, sir, a long time and the longer I live, the more convincing the proofs I see of this truth - That God Governs in the affairs of men. And if a sparrow cannot fall to the ground without

His notice, is it probable that an empire can arise without His aid?

Matthew 10:29 (NLT) What is the price of two sparrows—one copper coin? But not a single sparrow can fall to the ground without your Father knowing

We have been assured, sir, in the sacred writings, that "except the Lord build the house, they labor in vain that build it."

I firmly believe this:

and I also believe that without His concurring aid we shall succeed in this political building no better,

than the building of Babel.

Psalm 127:1 Unless the Lord builds the house, They labor in vain who build it; Unless the Lord guards the city, The watchman stays awake in vain. NKJV
