

**2020 Election – April
13, 2021**

**Bo Polny – The Rock
of Ages rolls out of
Heaven in April,
Greatest Time-Point
in Human History! –
March 20, 2021 The
Truth Report with**

Noah Christopher

Part 2

And so emmense
awakenings is
coming when
everything changes.
But the change is
going to be that
because God is
rulling now and we're
seeing these changes

**come to be, come to
pass, because the
power of God is about
to be unleashed on this
earth. So prepare.
You should be
prepared by now.
Boy. April forward,
the next 4 years are
going to be awesome.
You know as ugly and
as bad as the last 3 or**

4 years were. All it was was attack, attack, attack. We're going to see glory in the next 4 years and it all starts in April. Wild and incredible times are coming. As much as we're looking for signs, Oh we saw that!, Oh we saw that. Oh there gonna get

them the Supreme Court. None of it works. It doesn't matter how much fake there is, they are not going to stop. These people WILL NOT STOP! What is their agenda, to basically run the world. They want to control the world.

Because as they realized, money doesn't bring happiness. So then they want control and power. And so that's what they are trying to do. And God is about to put an absolute brake on this. We see this stuff but none of it changes

**anything as you've
seen. As the acting
president of the
United States for the
past 4 years, Trump
couldn't drain the
swamp. Right, look
what happened. The
swamp kicked him
out. He is the
president, He was
duly elected the**

second time but the point is the swamp kicked him out.

Because he doesn't belong in the swamp.

While he's trying to play in the swamp, it is not where he's supposed to be.

Everything he did was to try to stop this swamp. So they

didn't want him in there. Lets continue to roll through the slides. But understand how this is playing out in juyst a few minutes here as you watch and go through the slides. This is incredible.

This takes us to page 5. The

Revelation 12 sign. A lot of people said, Oh nothing happened. Remember this story line was laid out in the bible 2000 years ago. How did they know that? Number 1, how did he know that. Number 2 is it happened. And then Vergo gave birth and

Vergo fled to the wilderness, only to return 1260 days later. Which was March 6th 2021. Just a couple weeks ago. So what happened March 6th? Remember when God moves, Or when dates work out biblically, there are very specific things

**that happen but you
may not see them
unless you are
looking. If we scroll
up to. FROM THE
SLIDE: Revelation 12
The Woman and the
Dragon. Once in 7000
years. September
23, 2017. A great sign
appeared in Heaven:
a woman clothed with**

**the sun with the moon
under her feet and a
crown of twelve stars
on her head. She was
pregnant and cried
out in pain as she was
about to give birth.
Then another sign
appeared in heaven:
an enormous red
dragon with seven
heads and ten horns**

and seven crowns on its heads. Its tail swept a third of the stars out of the sky and flung them to the earth. The dragon stood in front of the woman who was about to give birth, so that it might devour her child the moment he was born. She

gave birth to a son, a male child, who will rule all the nations with an iron scepter. And her child was snatched up to God and to His throne. The woman fled into the wilderness to a place prepared for her by God where she

**might be taken care
of for 1260 days.**

Woman Returns:

**Saturday March 6,
2021 WHY, If she is
returning, the dragon
must have lost its
power over the world
and it's now safe!?**

**Page 6: You will see
the date it'self was
March 6th 2021. And**

**so scroll up higher
and go to**

**Page 7: Then you
have to overlay
Daniel's timeline. I
laid here Daniel's
timeline so you can
see how it lays out.
But you will see
specifically 1260
days takes us to
March 6th 2021.**

Page 8: You will see on that precise timepoint. That first trading day gold bottomed. Silver itself bottomed. And the very first trading day it went straight up. Now it has gone sideways. And all that' left, as that was the final delineating

**bottom for the
precious metals. And
it is going to go
sideways just a little
longer here and then
it's going to go
vertical. So
somewhere into now
and into April we are
going to see a rocket
ship price move on
the precious metals.**

Because why? God's going to make it happen. Because they will not. They have controlled the precious metals for generations. And as long as the precious metals are worth less, and their dollar is worth more, they can continue to

**perpetuate their
game that they have
been ruling from.**

**Because what
controls the world?
20:13 How do they
control? With bribes
and payoffs. And
what do they pay
with, the US Dollar.**

**Page 9 Why is this
April such an**

**important time point?
Because 49 years
ago in August of 1971
Nixon detached or
severed the link
between gold and the
dollar. Allowing them
to create infinite
amounts of paper
currency or digital
dollars. What ever
you want to call it.**

But fiat currency can be printed to infinity. Do you think fiat money is being printed to infinity? Do you see how many trillions of dollars they can create out of thin air whenever they need it? Every president they leave a number more of

trillions of debt. All they are doing is creating trillions of dollars. How can they do this – because it is not attached to anything. And the only thing holding it together is faith and confidence. Well God's about to take care of that. That's

**about to be severed.
So between now until
August, that will be
the 50th year. So
basically August to
August is 50 years.
So the 50 year
Jubilee cycle. That's
Leviticus 25:9**

**Page 10 Leviticus
specifically says on
the 10th day of the**

**seventh month. So
this is God's timeline
and this is Rosh
Hashanah. Not our
timeline but God's So
from Rosh Hashanah,
September 19th (1
Tishrei) of 2020 , go
10 days plus seven
months forward takes
us to April 23rd of
2021 "Sound the**

**TRUMPet on the 10th
day of the seventh
month” Leviticus
15:9. This is an
incredibly powerful
time point.**

**Page 11: Proclaim
liberty throughout the
land and to all it’s
inhabitants. Well how
do you proclaim
liberty unless**

something big and huge happens. The chains are supposed to be broken. What are the chains? The chains are that of debt. Because basically when you enslave humanity, The greatest way to enslave humanity is to make them think

**they are not
enslaved! See like in
the time of pharaoh
they had chains. Now
everyone is enslaved
but they don't realize
it. Well how did you
get them enslaved?
Well you have a
student loan. Do you
have a mortgage? Do
you have a credit**

card? OK, if you have those you are enslaved and you don't even know it. Debt is the greatest form of enslavement. So these people have gotten really smart. And that's what they have done but God's about to break the chains. And that

**moment in time that it
is supposed to
happen is April,
potentially the 23rd.
Again, I don't know
what's going to
happen. I'm giving
you dates and all I'm
going to do is sit back
with the rest of us
and we're going to
watch. God gave the**

world a fair monetary system. It is called gold and silver. And every time they want to control humanity they start messing with it. What did Rome do? Well they took the coins and they started sticking lead into them. Lead and other metals. So

they devalued it. It's always about control. So now we've seen the greatest control in human history with this fiat money. It is absolutely incredible. And so these timelines are incredible. So we have two cycles so far. We have the

**overlapping 400 year
cycle. Next we have
the Leviticus 25:9
which is the first
cycle. The next
overlapping cycle
would be the Red Sea
Moment Cycle.**

**Page 12 Red Sea
Moment Slide: So
when Pharaoh
released Israel which**

is the day after
Passover ended. And
that would be April
5th. And we go 20
days it takes them to
get to the Red Sea.
And on the 20th day
God closed the Red
Sea on Pharaoh's
army. That date
would be April 25th in
our time. So Wow,

**within 48 hours of
Leviticus 25:9 we got
the Red Sea moment
coming. Ok that's
incredible. So what's
going to happen? I
don't know. But now
we have two
immensely powerful
cycles leading into a
third cycle. FROM
THE SLIDE TEXT: A**

**2021 Red Sea
moment is coming to
the Democratic party,
some members of the
Republican party, the
deep state, the evil
one, his subservient
elite and their family
lineage are all about
to experience GOD'S
JUDGMENT for their
rebellion. Just as**

Pharaoh's army was suddenly destroyed when God closed the Red Sea on his ARMY, in the time of Moses. Those that survive will be stripped of power and forced underground to rebuild and regroup. The evil one and his remaining

**subservient elite will
again reemerge in the
future with a different
name but the same
agenda of: eliminate
GOD, the
Constitution, hijack
America. Take Israel
and control the
world.**

**MORE On RED SEA
MOMENT from Slide:**

**In 2021 Passover
ends on April 4th .
Pharaoh tells Moses
to get out of Egypt
Exodus 12:31-36
when Passover
ended. Israel departs
Egypt the next day,
this would equate to
April 5th ,2021.
Twenty days later,
God parts the Red**

**Sea and then closes it
separating Israel
from Egypt Exodus
14-20-31. Adding 20
days to April 5th, we
arrive at April 25th.
This is the precise
timepoint for a
possible 2021 Red
Sea Moment. .**

Slide 13: (25:01)
We have the Noah's
Ark Cycle.
