**Robin D. Bullock's
Prophetic Message:
You Run In A New
Day – Christmas 2020**

**So keep your eyes
open. I'm gonna tell
you something. Now**

I'm about to tell you something. I'm gonna tell you something without telling you something. Because I don't know exactly what to say about it yet. But there is about to be such a shocking event. Now we say yes, and I understand that. But

we don't know. You say yes but you are not ready for this. But there is about to be such a shocking event hit this country. It's going to change EVERYTHING.

Now I'm telling you. I told you for two years that everything you knew was about to

**change. For two
years. And then that
virus hit and
everything you knew
changed. And the
Lord said it would
never go back to the
way it was so quit
looking for that.
Because it won't go
back to the way it
was. You run in a new**

day now. But this event that is about to happen. It is going to be on our benefit. I believe it is going to come down on the side of the righteous. But it's going to be such a shocking thing. And it's at the door. Keep it in mind. Keep it in mind. You

know the Lord told me at the first of the service , “Don’t you say nothing unless I tell you to!” But this prophetic thing. This whole thing is prophetic. And this thing, everything you know is about to change again. So you get ready for that.

**And if you're not
ready for that, then
get ready for that.
How do you get ready
for it? Didn't you hear
the Lord keep saying
in those prophetic
words. He said, "Say,
I'll see." Say, I can
hear. Say, I'll know.
Say, I'll be ready.
Start saying I'm**

**ready. Start saying
I'm ready. And start
listening for the
prophetic voice of the
Lord every day. Start
listening for it every
day. He's talking right
now. He's talking BIG
right now. This event
that your looking at in
the political realm
right now. This event**

that your seeing right now. I want you to listen right now to what I am going to tell you. It is between God and His prophets. At the Red Sea it was between God and Moses. It was between God and Moses. If Moses wouldn't pull the rod

**back, the Sea had to
part. The people
when they got to the
Red Sea. The people,
how does the
scripture say it, They
challenged the Lord.
They Tempted Him
when they got there.
It was between Him
and Moses. And it
was a word He had**

**told him at the
burning bush. That's
what happening now.
It's between the
prophets and God.
The people's job is to
not mummer. And to
praise! The people's
job is to start praising
God. Praise, let it
come up out of your
spirit. And sing these**

**prophetic songs that
God gives you in
here. Start singing
them out loud. It don't
matter if you got a
microphone. It don't
matter if anybody
hears you at all. It's
going into the realm
of the Spirit. And
every Spirit being in
existence is hearing**

this praise. And when the earth is full of His praise, the heavens will be full of His glory. And the bible said His imposing image appeared in the heavens.

**Page 18: What is
the great reset?
People have talked
about that.**

Specifically, it is the third seal of Revelation. It's the financial rebalancing. So read about the third seal. It is basically a financial rebalancing. So the scales are out of balance right now. And they are going to go completely in the

**opposite direction.
So the financial
system you know
today, will not be the
financial system of
tomorrow. And if you
want to participate, in
the shift, this will be
the greatest financial
event in human
history. The shift you
would have to be**

**involved in. You
would have to have
cryptocurrencies,
gold or silver. Those
will be the
rebalancing when the
shift occurs. So as
high as
cryptocurrencies are
now, or some of them
are now, they are
only front running**

**what gold and silver
are about to do. And
even what
cryptocurrencies
have done, You still
haven't seen what
they are about to do.
That's the crazy part.
Even at the price that
things are at today,
you haven't seen
what is still coming.**

We are talking that trillions of dollars have been created. So they got to go somewhere. Noah: I made a note before our show here. I went back and looked at some of our old interviews. You came on this show back on November 5th of 2020.

**And you told
everyone at that time.
You said get ready for
a vertical explosion in
bitcoin. It's coming!
And back then, I
looked it up, it was
\$14,500.00. Today it
is right out
\$60,000.00
And you're telling us
it hasn't even**

**started yet. Bo:
That's correct! So all
I can tell you is the
greatest financial
event, financial event
in human history is
upon us. Do you want
to be a part of it?**

Personal choice.

**Revelation 6:5 When
the Lamb opened the
third seal, I heard the**

third living creature
say, "Come!" I
looked, and there
before me was a
black horse! Its rider
was holding a pair of
scales in his
hand. 6 Then I heard
what sounded like a
voice among the four
living creatures,
saying, "Two

pounds of wheat for a day's wages, and six pounds of barley for a day's wages, and do not damage the oil and the wine!"

So somewhere at the**

**end of April we're
supposed the birth of
the new ERA. The
time point equated to
the Red Sea being
closed, Noah
stepping off the ark,
So that's why the
world is in a situation
of fear and
hopelessness in the
new era at the start of**

**May. In May it will
turn to Peace,
Rejoicing and Love.
So our world will be
dramatically
changed. If you don't
think that's possible,
let me tell you one
thing about God. In
the beginning there
was nothing. It Was
Black. It was Dark.**

Like our world right now. It was dark. Nothing! And what did God say? “Let There Be Light!” And in 6 days everything changed. If you think that God needs months, years. He created everything in six days. And He rested on the

**seventh. So I'm
telling you. What's
coming is going to be
biblical. It is going to
be awesome. What it
involves I have no
idea. But it's going to
change our world
forever. And the point
is, evil is no getting
knocked out. They
are getting knocked**

down. That is a big difference. Because they come back. We are going to talk about that later.

Now we are at the
United States. It's
trying to bind the iron
and the clay. And the
clay and iron don't
bind. You can read
about this and it is
written in Daniel. Clay
and Iron do not bind.
Because they don't
bind it doesn't work.**

So right now in this winter season, evil tried to bind God's Church with him. Did you like it? That's what he is trying to do.
