

# 2020 Election – April 22, 2021

**Psalm 110:1** The Lord said to my Lord, "Sit at My right hand, Till I make Your enemies Your footstool."

**2** The Lord shall send the rod of Your strength out of Zion. Rule in the midst of Your enemies!

**3** Your people shall be volunteers In the day of Your power; In the beauties of holiness, from the womb of the morning, You have the dew of Your youth.

**4** The Lord has sworn And will not relent, "You are a priest forever According to the order of Melchizedek."

**5** The Lord is at Your right hand; He shall execute kings in the day of His wrath.

**6** He shall judge among the nations, He shall fill the places with dead bodies, He shall execute the heads of many countries.

**7** He shall drink of the brook by the wayside; Therefore He shall lift up the head.

**Prophetic Ministry of Patricia King at NCF.  
She Thought It Was Over Ryan and Kelly  
Wyatt – July 2006 This was the week after  
NCF had driven the stake into the ground!

**And I want to declare this also: When Todd Bentley was unveiled, When Todd Bentley was released, He was the first of a company that was being brought forth, He broke a**

membrane open, to break a membrane open of a new generation that would arise in a new way, in a new way, new flavor, new authority, and there is the establishment now of a glory company. A Kingdom company that will usher in of the floodgate of heaven. The tangibility of the invisible Kingdom.

A I decree that this company will be holy and humble and take no glory for themselves. And that the strong and mighty discipline of the Lord will be upon them so that they will be a generation that will not fall. Or falter. And you, Ryan Wyatt, and Kelly Wyatt, you will mother and father many. So that they will be a fragrance for the father.

(She blows strong breath out of her mouth toward them both twice)

Kelly, arise oh Mother of Israel, arise Deborah, The Deborah of the Ester anointing that is inside of you, I Unlock it now. In Jesus Name

Great is the company of women who proclaim the glad tidings

And Lord I ask for oil to be poured out upon them right now. And for the company that will join them. Because many will volunteer freely in the day of thy power. And Lord, guard the going out and the coming in. (She blows wind 5 times toward them)

The Lord says the portal is open. And the stake is in the ground.

It is a privilege of the prophetic ministry to anoint the kings and the prophets of the old testament. As they anointed the kings, they were put into their place so that they could function and Kingdom authority. And the Body of Christ is called to be kings and priests.

This is not a spectator sport. The whole body is to come on board and to take their place before our King in the earth.

**And execute Kingdom dominion and authority in every nation and in every sphere of influence. And you will see shifts taking place. You know in the days gone by we have seen strong localized emphasis, local church emphases. That is good. That will continue to be strengthened. It needs to be. But there will be some shifts, so be flexible. Because the way we've done church in the past, some of the structures, even though they might have worked, in some realms, God's going to do some shifting. We're not to judge, We're not to criticize, we are to wait on God and let Him shape what He's and let Him restructure. Flexibility is needed. And if you're a pastor in this room right now, you need to be flexible and have a listening ear to the spirit of God.**

**SHIFTS, SHIFTS, SHIFTS are coming SHIFTS and you're going to want to shift with God. He is bringing you into a higher gear. There is a turban empowerment coming. And it needs a new wineskin. Don't try to figure it out in your head, just stick really close to Jesus and He'll show you. Whatever He says to do, do it! Whatever the cost. Don't fear man in this hour. Because everything is going to change. And we've seen things go from local to regional to national. But you are going to see a shift every to continental anointing's. And whole continents are going to bring forth gifts to the king.**

**In 1995 (Pat King speaking) I went into a trance vision in Toronto, Canada. There were four of us in the room. The Spirit of Glory came into the room and I went into a trance vision and saw things that would happen in the end times. And one of the things I saw was the hand of God cupped over Israel and His other hand swept over every continent and every nation. And every continent, every nation received the moving of the hand of the Lord. Not just the gospel being preached, but the sweeping of the Hand of the Lord. And there was the essence of the glory deposited in every nation**

and called forth gifts. Every continent was called on for its gifts. And it was just laden with blessing. And then when every continent was visited, the Lord lifted His hand off of Israel and everything that the nations had received, everything the continents had received was brought to Israel. And Israel did not receive a double portion, they received a full portion. The full portion. And we're going to see a mighty move of the Lord, right among the continents that we might be so full of the glory. Because the knowledge of the glory of the Lord is going to cover the earth as the waters cover the sea. And that glory has been given to all the gentiles so that we will have gifts to bring to Israel.

And Lord, we pray for your beloved Israel right now. We are so impressed with you Father, Because of your faithfulness to your people. When we look at your Love that has been so unending, for generation after generation. We truly see that you are a covenant keeping God. And You are keeping covenant right now with Israel. And we ask Lord God for a strengthen of that nation. And for complete alignment of everything that they do and everything that they are to your Holy purposes and mandates for it. And we release and every day continue to release of entrees of angelic hosts into that nation. To serve them, to bring them into divine purposes. And Lord, keep the United States of America aligned with your purposes for Israel. Let us not walk outside of that. Let us be a friend to Israel Lord, do not let us err in any way. We are your church and you will hear our prayer. As a nation we say, Do Not Let Us Err. Let us always be bound to your heart for Israel. Let us always stand for that nation as You stand for that Nation. And we make this decree in the name of Jesus. And heaven we call on you to record this decree and to establish it, in Jesus Name. Let your Glory visit Israel today. Let there be testimony today
