April 23rd - 50 Year Cycle 7th month 10th day...

April 25th - Red Sea moment of the 400 year cycle

April 26th - Noah flood cycle ends

God's Timetable – A Prophetic Update on God's Timeline for PPRSIDENT Trump

So we are going to be talking about God's timetable. God does not work on the same timetable we have. Pastor Hank over the last couple of months of 2020 was talking about the fact that God's calendar is not ours. God will shake up our calendar dates. At this point He's successfully done that. I think it's official. He's officially done that. Kat Kerr says He doesn't have a calendar. He has a timeline and this time we're in is on His timeline. And what we are going to be talking about are these prophetic words the Lord has been giving to several prophets. We're going to be talking about Amanda Grace, Timothy Dixon, Midnight Cry with Deborah, Robin Bullock, Manuel Johnson. So we are going to be getting into specific things that they have said. About an actual hints of physical time in the natural. Before I get into these specific prophetic words, there are a couple of prophets I wanted to give, I guess and honorable mention to, that I will not be quoting directly. Like pastor Hank Kunneman has been directly standing steadfast. Ken

Christmas has been standing steadfast. Johnny Enlow has been standing steadfast. But we are going to be getting into specific prophetic words here. And I wanted to start with “Midnight Cry with Deborah” November 3rd she said, started God’s timer. And the current era that I guess we’re in, will only have praise for 7 months. And the end of those 7 months would be mid-April to mid-June. And she ties this into the feast day of Wheat – which is May 17th this year. And in March of 2020 last year, God told her what we are seeing in the natural now. Which is what gives her even more confidence in her word. The Glory of God is coming back, she says. She also has been going through this 2 Samuel parallel. Which brings me to Robin Bullock. Robin on the eleventh hour went through this entire prophetic word of replacing key names in 2 Samuel with the current two names now, 45 and 46. And it parallels what we’re seeing now. And Midnight Cry with Deborah has also picked up on this.

And Robin also said, that he would not be talking about this much longer. Is what God had told him. Because he’s seen the end of it. He has seen the future of the end of this. And he says “we’re not much longer.” Kat Kerr has also said, “We’re much closer than we were before.”

Moving on to Amanda Grace. This ties in perfectly with what Midnight Cry with Deborah said. I could not find the exact word Amada Grace said, but I remember this and it stuck out in my mind. She gave this word a couple of months ago and it was “justice could take up to six months.” Which would be the first six months of 2021. And we are now in month 4. So, in the first six months of 2021, that would fit in with Midnight Cry with Deborah was talking about. If November 3rd, started the timer, we would be looking at mid-April to mid-June? June would be the first six months of 2021. So that ties in with Midnight Cry with Deborah.

So moving down the line here. Manuel Johnson has told us to “keep our eyes on the next 90 days.” Do you know where that fits in? That fits in with MCwD and Amanda Grace on the first six months of 2021. As well as November 3rd started the timer of 7 months. And ending in mid-April through mid-June. It fits in with that as well. Manuel Johnson has also said, “God has not changed His mind.” All of the prophets have been saying “God has not changed His mind!” And Manuel Johnson said something very humorous. It said it’s going by by. It’s going by by. He said, “In this 90 days is where the exposure is going to get really heavy.” So the exposure is going to get really heavy in these next 90 days.

So moving on to Timothy Dixon. He is the last one we’re going to be talking about. So he says, “46 knows he days are numbered.” So he knows, he is aware that his days are numbered. And that he doesn’t have much longer. Timothy Dixon has a vision of 45’s celebration in DC. On the return. He said, things are happening behind the scenes that we can’t see. And this fits in with what Manuel Johnson was talking about when he’s talking about keeping your eyes fixed on the next 90 days. As the exposure will get really heavy. So what Timothy Dixon is probably talking about here, things happening behind the scenes we can’t see, is the things that we are about to be able to see with Manuel Johnson’s next 90 days with the exposure retting really heavy. 46 going by by and God not changing His mind. That ties perfectly in with everything Timothy Dixon said. “God will have His way,” says Timothy Dixon. Manuel Johnson said that God will not change His mind. That ties in perfectly. Timothy Dixon said all of those things on April 5, 2021 on that video. MCWD on November 3rd started the timer of 7 months of mid-April to mid-June. Amanda Grace, “Justice could take up to the first six months of 2021. 46, Timothy Dixon, ’46

knows his days are numbered.” And he had a vision of the celebration. Robin Bullock also talking about the second parallel with 2nd Samuel, also saying “It’s not much longer.” Pastor Hand, Christmas, Johnny Enlow also hanging on. Manuel Johnson – keeping you eyes on the next 90 days fits in with the November 3rd timer, the end of that timer.

In terms of God’s actual timetable in the natural. He’s beginning to talk more about this. And Kat Kerr says, “the more God talks about something – the more likely it’s coming to pass quicker. And this is awesome. And another thing Amanda Grace said, she said, “this time next year, which would be 2022, would not be looking like it is now. And that could apply to so many things. With 19, that could apply to 46. That could apply with so many things. Leaders, I think this time next year, based on everything else the prophets have been saying, this nations’s going to be turned around. As God says, “He’s going to save the nation of the eagle.” And this is going to be such an amazing thing to see. So I wanted to share this word with you and all of these prophets tying in together so well like this, that it can only be come from God. God is speaking through all of them And when they can line up like this and make these connections just looking at my little notes here, Watching all of these videos took me 4 hours or so. And I’ve been able to condense it into this roughly 10 minutes or so. And so I hope this is encouraging to all of you. Again God is working, God has not changed His mind. We need to stand steadfast on the Word of the Lord. God is not a man that He should lie.

.....

Some History: Mike Bickle and ICIHOP

Mike Bickle Telling Prophetic History of KCIHOP

September 1982 – The Lord Speaks in Cairo, Egypt that He would change the understanding and expression of

Christianity in one generation. Add an additional part that the Lord made clear to Mike in Cairo, Egypt. There are four things that you must build this work on! What is started in Kansas City will touch the ends of the earth – and the glory of God. (This realization first heard in Cairo, Egypt and through numerous voices over the past 20 years.)

- 1. Built upon – literal night and day prayer.**
- 2. Built upon - Holiness of heart – passion for Jesus – Bridal paradigm**
- 3. Build upon – extravagant giving to the poor – Isaiah 58 - God said He would give him the wealth of the nations if he would use it on the gospel and the poor of the earth! (aside) it was in the summer of 2000 that Paul Cain was walking on Shiloh hear the Lord speak audibly: “What is it to you if I make Kansas City a revival center that touches the whole earth!” “What is it to you if I give Mike Bickle one billion dollars for the harvest!” Mike’s heart is to see 1,000,000 intercessors released into the world. God had spoken to Mike to handle finances in an way defined by - “Do with it what fills my heart” – the poor of the earth fills God’s heart!**
- 4. Built on prevailing faith – faith- The operation of the Holy Spirit and power. Faith for provision. Faith for protection. Faith for miracles. Faith for direction.**

Bob Jones said to Mike Bickle during their first meeting: Let me tell you a bit about who you are! - Do you know who you are? Bob asked Mike. Bob said I don’t think you know who you are...

- 1. You are an intercessor – Bickle agreed. The Lord told me that in May 1979**

- 2. Did you know you are an evangelist? - I love evangelism but I am bad at it so I don't do it very much! ... I have pain over it. "You're an evangelist under a prophetic anointing with signs and wonders. There is a whole company of young people who are prophetic evangelists with signs and wonders. – Bickle said he didn't know that!**
- 3. He said you are a youth pastor! - Mike replied well really I have been a senior pastor for 7 years. – Not now, its years down the road. You'll be one of the oldest men in the movement. – You're a youth pastor, it's a world wide youth movement! They are going to prophesy, they are going to intercede. They will fill stadiums. They are going to do signs and wonders! This is where this thing is going!**

**Bob Jones Sands Of Time Vision with Mike Bickle 1988 #2
56:00**

BJ: And then I was taken by the ocean and I saw the sands. And they were called the sands of time. And I saw tremendous holy prophets of God. They were the real thing. Their anointing was far beyond anything that I have ever seen. They reached into the Sands of Time And they were pulling up something that looked like a shoebox. A shoebox spoke to me, like in Ruth, where there was going to be an exchange of land. There was an exchanging of shoes. And the one that got these shoes had the right to walk on the land, that the previous owner had walked on. And they opened these boxes, they were empty. And I would hear them say, as they reached out, I've got it! It's now! The promises are now. The promises are yea and amen. For now! And they would open up and it wasn't in their generation. And I'm setting there and the Lord said, "reach your hand into the Sands of

Time. And I said, Lord they are all empty. He said, do as I told you. So I put my hands and found a box down there. He said pull it out. So I pulled it out. And He said open it. And I opened it up. And there were a bunch of letters in it. These are prophecies I brought in this town in 79 and 80 by the way. And I noticed on these letterheads, that... Greetings, you are inducted into the army of the Lord. So you people that are really the army of the Lord, you ain't got anything to be prideful for. You've been drafted. You didn't volunteer. Greetings, you have been inducted into the army of the Lord. And He said, "When it costs 20 cents to mail a letter, yea this was 79. It seems to me it cost 9 cents to mail a letter then. And they said it would never go up again. That stamps should be 3 cents instead of 9 cents. And they would never go up again. And I brought these prophecies and they said, boy you are missing it again there. They will never pay no 20 cents to mail a letter. And the Lord said, When it costs 20 cents to mail a letter, I'm mailing this out. This is the leaders that I'm going to begin to induct. I'm going to call them in. And so He said He would mail them when they cost 20 cents. And as I was looking at that, He said come and I want to show you something else. And so I went and I seen the Lord. And He was looking at like little yellow things. Ah, little round yellow things like a spirit of God itself. And there were billions of them. And it was like Him and all the angels was like looking through these. And every once in a while they would go, Hey! Here's an end-time one. Yes, get it down here on the end. This is a perfect one. Yes, here is another good one. And I said, what are you doing. And He said, Oh we're collecting those that is foreknown and predestinated for the end time. For you see they'll be the best of all the seeds that have ever been. And we're looking through the seeds and this will be your grandkids. This will be the end generation that is foreknown and predestinated to inherit all things. And these

will be like grandchildren to you! (1988 young people speaking to) Even those that you minister to, won't be this generation. Their children will be. You are to write into their minds as they write into the children's minds. You're to bring them to a place to allow My Spirit to rule in their life. To where they can begin to set the Church on the proper foundation. They will! They'll birth the Church. But their children will attain levels of the Holy Spirit that they will not. Although their parents will reign over them. It will be the leaders of the Last Day Church. Their children will possess the Spirit without measure. For they are the best of all the generations. That have ever been upon the face of the earth. And the best of all the generations, are those elected seeds that will glorify Christ in the Last Day. That's the purpose so that Jesus in the Last Days has the seeds that will glorify Him above any generation that has ever been upon the face of the earth. They will move into things of the supernatural that no one has ever moved in before. Every miracle, sign and wonder that has ever been in the bible. They'll move in it consistency. They'll move in the power that Christ did. Every sign and wonder that has ever been, will be many times in the Last Days. They themselves will be that generation that rise up to put death itself under their feet. And to glorify Christ in every way. And the Church that is raising up in the government will be the head and the covering for them. So that that glorious Church might be revealed in the Last Day. Because the Lord Jesus is worthy. To be lifted up by a Church that has reached a full maturity of the God-man.

MB: I'm going to sum that up. And you add or subtract to it how you shared it with me or how you remember it. What the Lord did. The Lord took him to this beach. Before an ocean. And this beach spoke of the Sands of Time. The ocean spoke of the nations of the world and all of history. And he saw these men and they put their hands in the sand and they

drew out a box and they were empty. And a little bit later another guy did. And then another guy did. And the Lord came to Bob and said, "You do it right here." And Bob said, Lord they have all put their hands in and they got empty boxes. And they came up empty handed even without a box. Why should I do it" The Lord says, put your hand in here. He pulls it out and he sees this box full of draft notices for the End-Time army. And he said the Lord had told him there were 300,000 enlistment notices that He was going to send out across the nations in this next generation. They were not all going to be sent out then. 300,000 that would be the main leadership over 1,000,000,000 converts in the earth. He said, I will cause 300,000 to bear a distinct anointing of leadership over the one billion. 300,000 sounds like a lot of leaders, but a billion is a thousand million. That's 3 anointed vessels in that distinct way for 10,000 people. And that's nothing. And He said I am going to cause 300,000, like Gideon's 300 in Israel. I'm, going to have 300,000 that will be a small number for the nations of the earth. And they will have like an Apostolic anointing and the signs and wonders of the early church and beyond. 300,000 in the earth will have it. The rest will move in the miraculous. But He will have 300,000 that will have a special measure of the Spirit like unto the leaders of the New Testament. Like they had even more than the people did. And so then he pulls out this box. He sees the 300,000 names. And he actually reads a number of them. And he says, Lord who are these guys? And He looks back and he was told those were the leaders of past generations. Like John Wesley, Charles Finny and Martin Luther who thought their generation was The Chosen Generation. And every time they came up empty handed. Because the chosen generation. Because there is one generation that will enter into that which is beyond all the others. The Chosen Generation of History. That will go beyond all the other is power. He said, they thought it

was theirs. He said it is not. He said, put your hands here. And so he sees the 300,000 and the Lord looks at Bob and says. From out of the Sands of Time, I have called the best of every bloodline in the earth unto this generation. He said, even the bloodline of Paul. Even the bloodline of David. The bloodline of Peter, James and John. The best of their seed is unto this generation. They will be even superior to them in heart, and stature and in love for for Me. He said for out of the Sands of Time I have elected to bring them forth in this hour. And He said, the generation of the young people that are coming. Which He would give him time frames. And He would put it in the language of the generation of the young people that are coming. He said it will be their children, not even the generation that is coming, their children is the elect generation. And He said that, as the thing grows, He said this generation will see the inception of this move. He said it will begin in their time. They will be a children in the spirit. He said that, I am putting about 4 visions together. And He said that like in 1 John 2: There is always 3 generations in a generation. The fathers, the sons and the children. The fathers the young men and the children. He said that in every generation there is the presence of the three. The generation of the young people that are coming are going to see the beginning of this world-wide new order transition that is going to be coming worldwide. That is going to change the expression of Christianity in the earth in a different generation. He said that though they will be the beginning of it, it will be in this time-frame. The 80's and the 90's. He said that they will be but youths in the Spirit. He said that even those that are older in age, will be but babes in the Spirit. And He said that that was "all of us!" (Speaking to those gathered in 1988) He said, we'd birth it. He said then what would happen, He said we would raise our children right in the midst of it. From the womb all the way up. And they would move so

familiar with these ways, that they would be much more trained and equipped for it. He said and then their children which would be the grandchildren of the generation of the young people, my generation, He said that their grandchildren. He said that people my age would see their grandchildren move in the power of God before the Lord comes. Now lots of people have all different kinds of time frames. And I am open to them but I really believe this. That's just where I am at. He said a number of times, you will see your grandchildren, some may be 5, 10, 15, 20 years old. But your grandchildren will move in the power of God when you are an old man. ... So the Lord said that the generation of these young people would be in this timeframe. The 80's and the 90's. The inception the beginning of a whole new order across the earth. It wouldn't just be here, across the earth. Always know that. Bob is a seer for this group but don't misinterpret that what he sees for here, there isn't other prophets across the nation seeing for other groups the same thing. He said that these young people, they would be like, they would be the government in the end. Their children would have a greater anointing. Their children will have greater power. But they will be the government and the authority over their children. And Bob said, to the Lord, why is that. Why would they have the authority and the children have the greater anointing? And the Lord spoke to him the story of Solomon and the two mothers. In that story both mothers claimed to be the mother of the baby. Solomon said cut the baby in half and the real mother said No, No, NO. It's her baby it's not mine. And the false mother said cut it in half. And Solomon said give the baby to the mother who gave it away. She is the true mother. The Lord said that this generation that labors in intercession and in baroness and humiliation to birth this thing across the earth. Not a KC thing. Remember! The same thing across the earth. It is

happening in every other group. He said, they will give away their rights over the movement before they will divide it. Because they are the true mothers of this movement. He said their sons and daughters will inherit it freely. Though they will have a greater anointing. They won't have the same price that was paid so they would divide it more quickly before they would give up their interest. But those that birth it would lose their interest. So He said they will be the government of it. Though their sons and daughters will surpass them in the anointing. And their grandchildren you will see. You know the grandchildren. Some will be 1 and some will be 20. It depends on where you fit in this thing. He said this generation will see them with their eyes before I come back. That has molded our thinking.
