The Woman and the Dragon

Once in 7000-Years!

September 23, 2017

A great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth. Then another sign appeared in heaven: an enormous red dragon with seven heads and ten horns and seven crowns on its heads. Its tail swept a third of the stars out of the sky and flung them to the earth. The dragon stood in front of the woman who was about to give birth, so that it might devour her child the moment he was born. She gave birth to a son, a male child, who "will rule all the nations with an iron scepter." And her child was snatched up to God and to his throne. **6 The woman fled into the wilderness to a place prepared for her by God, where she might be taken care of for 1,260 days.**

Unilateral U.S. Move Means Others Face Parity Decisions

By EDWIN L. DALE JR.

WASHINGTON, Aug. 15 — President Nixon announced tonight that henceforth the United States would cease to convert foreign-held dollars into gold—unilaterally changing the 25-year-old international monetary system.

How many pounds, marks, yen and francs the dollar will buy tomorrow will depend on decisions of other countries. In some countries, the value of the dollar may “float,” moving up and down in day-to-day exchanges. A period of turmoil in the foreign-exchange markets is all but certain, which means uncertainty for American tourists, exporters and importers.

The President said he was taking the action to stop “the attacks of international money

Mansfield Pleased by Wage-Price Action—McGovern Critical

By CHRISTOPHER LYDON
Special to The New York Times

WASHINGTON, Aug. 15—Politicians and political economists who commented on President Nixon’s speech tonight drew careful distinctions between the domestic and international elements of the package.

In widely mixed reactions they expressed somewhat greater support for the wage and price freeze than for his action on the international position of the dollar.

The Senate Democratic leader, Mike Mansfield of Montana, called the wage-price freeze “harsh but very necessary.” “I’m delighted that his patience has finally run out,” the Montana said.

WASHINGTON, Aug. 15 — President Nixon charted a new economic course tonight by ordering a 90-day freeze on wages and prices, requesting Federal tax cuts and making a broad range of domestic and international moves designed to strengthen the dollar.

In a 20-minute address, telecast and broadcast nationally, the President appealed to Americans to join him in creating new jobs, curbing inflation and restoring confidence in the economy through “the most comprehensive new economic policy to be undertaken in this

“proclaim liberty throughout the land to all its inhabitants”

A **2021 RED SEA MOMENT** is coming to the Democratic party, some members of the Republican party, the deep state, the evil one, his subservient elite and their family lineage are all about to experience GOD's judgement for their rebellion. Just as Pharaoh's army was suddenly destroyed when GOD closed the sea on his Army, in the TIME of Moses.

Those that survive will be stripped of their power and forced underground to rebuild and regroup. The evil one and his remaining subservient elite will again reemerge in the future under a **DIFFERENT NAME**, but with the **SAME AGENDA...**

...eliminate GOD, the Constitution, hijack America, take Israel and control the world!

In **2021** Passover ends on April 4. Pharaoh tells Moses to get out of Egypt (Exodus 12:31-36) when Passover ends. Israel depart Egypt the next day, this would equate to April 5, 2021. Twenty **(20) days** later, God parts the RED SEA and the closes it, separating Israel from Egypt (Exodus 14:21-31).

Adding **20-day** to April 5, 2021 we arrive at April 25, 2021, this is the precise timepoint for a possible **2021 RED SEA MOMENT**.

 6. Iron & Clay 2 [**USA**]
1776 A.D. +

7. STONE

The Great Image in Nebuchadnezzar's Dream

The great image that God revealed to Nebuchadnezzar in a dream was interpreted by the prophet Daniel. Each section represents a world-ruling superpower. Each succeeding metal is less valuable, but each succeeding metal is stronger, as each empire was more powerful than the last.

Silver—Chest and Arms

The silver chest with two arms signified the empire of the Medes and Persians, which conquered and supplanted Babylon.

Bronze—Belly and Thighs

This section represented the Greco-Macedonian Empire of Alexander the Great, which swallowed up Persia.

Iron—Legs

The two legs of iron represented the Roman Empire. After Alexander's death, his Hellenistic empire continued in a divided form until its divisions were taken over by Rome. The two legs apparently signified the east-west division that characterized the Late Roman Empire.

Iron & Clay—Feet and Toes

Extending from the legs are feet and toes of iron mixed with clay—a brittle and unstable mixture because it would not bond well. These represent the final phase of the Roman Empire, which will be made up of ten kings, some strong and some weak.

Gold—Head

This section represented the empire of Babylon, of which Nebuchadnezzar was king.
