

2020 Election – May 4, 2021

We're In A New Season and I'm Highlighting Luke 4:18; Filling In Some Details And A Broad View of Israel and the Harvest

9 Days Later On April 18th

Again The Fast: Revelation 3: Desire of Jesus knocking on door of our hearts. Open the door to me and I want to dine with you and I want to deliver you of this Laodicea spirit.

Mike an Encounter with the Lord in his office: An open vision, a door appeared before him “And he sees a door before him, open into the realm of glory. And this phrase comes to him, “If you open the door to your heart, I will open to you the door to my glory”

How It Happened:

First meeting on Friday morning of April 9th. Leadership meeting. Chris Reed sits down and he goes, “oh my goodness, on the way here this morning I heard the radio announcement that Prince Philip of UK that he died this morning. Mike said that yes, they had heard that also. Chris goes, “this is really significant. And Mike, “we're not understanding the significance he's relating to. He says, “18 months ago, “I have a time-stamped on my phone, I wrote the prophecy and I clicked it so those in the room could see the date and the prophecy. He goes, “the Lord told me 18 months ago when Prince Philip in England dies, it will be a significant day of shifting for the Body of Christ. It's a riddle. And then He gives him a riddle right after that. And it's like, how does all that connect. He goes, here's the riddle the Lord gave me. He says, “When the Prince will pass, it will be 4:18 at last.” And he goes, I don't get the riddle at all! But I know it matters

today on this Friday morning of April 9th. When the Prince will pass, 4:18, it will be 4:18 at last. He says, “Does that mean anything to you? And what he doesn’t know is that 31 years ago on April 18th, 31 years ago today, the Lord spoke in a dramatic way where thousands of people were a part of this story and witnessed it and were touched by it. Where the Lord said, that He was going to establish Luke 4:18 and He spoke it in a dramatic way which was April 4, 18. And He spoke it at 4:18 in the afternoon. Many across America heard that story and were blown away by that story. HE DOESN’T KNOW THAT STORY. IT WAS SOMETHING WE WERE TALKING ABOUT 31 YEARS AGO. And he goes, 4:18 and I go, it means Luke 4:18. And it has something to do with April 4/18. And he goes, I don’t know that story. So I, MB, tell the story. And some of our team had never heard it. Again it’s a 31 years old story. But it is remarkable, So:

I am convinced, that on that day, April 9th at the end of that 40 day fast, Luke 4:18 in our world and in many other people is going to be highlighted, by the Lord, in a significant way. And it was a beginning point. Because the riddle he got 18 months ago, is that “When the prince will pass, it will be 4:18 at last. He says I don’t even have a clue. I’m almost embarrassed to say it, it is so riddleish. But it was very clear to me. I have gotten emails from old friends who heard of these thing and are saying, WOW, this is really real. MB We are entering a new season in the Body of Christ and Luke 4:18 is representative of. And that’s the famous verse, you all know the verse. ... And when Chris Reed said, when I got that 18 months ago, “when the prince will pass it will be 4:18 at last, it’s like the Lord was sighing, like a sigh, AT LAST, it’s the 4:18 season for the Body of Christ world-wide.

(Pastor), I’m struck by, Mike says Chris comes in the meeting, gives the 4:18 word, and it was almost like everything that happened after that, over the weekend was to

convince us to pay attention to the Lord's zeal for Luke 4:18. To manifest in the Body of Christ. ...And there was a corporate word that he gave. It was Luke 4:18, And it goes back to the story of the Cane's Paul and Anna Cane, where there was the three-fold confirmation, of your know, 4:18, 4:18, 4:18. Back in the 90's. And the Lord has this bizarre strategic, poetic way of getting us to pay attention to scriptures that we wouldn't normally pay attention to. And the Lord was using Chris, in that way, all last weekend where he's talking about Luke 4:18. Then he gets up and he starts talking about Acts 2, Joel 2, Psalm 2, Then he comes here on Sunday morning and he preaches on Ephesians 1 and Ephesians 3. The apostolic prayers. And he's not really in tune with our message, what we're about and what we've been talking about for 20, 30 years. And I'm asking him in between, I go, for real, you've gotta be listening to tons of our messages and da da da. And he goes, And he goes, I've listened to Growing in Prayer by Mike and like one other thing. ...And I'm looking at this thread that the Lord's weaving together, The lukewarm church, the Body of Christ. The Lord said, I am going to rescue you. And I'm going to get you in that upper room conversation with Me, to talk to Me. And relate to the Trinity. And get in on what I'm talking about. And then I'm going to release My power. And My anointing, Luke 4:18; Because as much as you want to rid yourself of the lukewarm spirit, it's gonna take the power and the anointing of the deliverer, Jesus, to get the church into the next season and get us positioned, because that great harvest of souls is coming in the days ahead.

MB We are just aware that we are in a new season. I don't mean IHOP, yes us, here in this Forerunner Church, I'm talking about the Body of Christ, our city our nation. I'm talking about the earth. The Body of Christ in the earth. We are in a new season in the Holy Spirit. *The scriptures we have*

been focused on or will be focused on, It's the Revelation 3, Jesus telling the Laodicea Church, I'm going to rescue you from a compromising spirit, a spirit of dullness. Psalm 2: where King David prophesied that there would be persecution, even from the state governments and legislations against the Word of God, Acts 2: an increase of Holy Spirit power. Isaiah 19: And that would be the one that would be the most unfamiliar with our larger Body of Christ. Although a number of us have been tracking with Isaiah 19 for some time. And I'll just give you 45 seconds of it, because we're gonna spend a lot of time on it in the months and years ahead. Isaiah 19 a very obscure passage to most people. But it won't be before long, Isaiah 19, I'll pull out one verse. Verse 24, and you could miss it if you read it fast. That the Lord says when all these things happen, His end-time purposes, He is going to bring into profound unity Israel, Egypt and Assyria. And more folks today, most folks go, what's Assyria? Well it was the World Power of Isaiah's day. 700 BC. Assyria would represent 10 or 12 of the middle eastern countries right now today. Syria, Jordan, Iraq, Iran. You know, those kind of nations. The Lord is going to do a work in the days to come, where He's going to take the Arab communities, the Middle East Islamic Nations, Egypt, the Persians, Iran and Israel and bring them into a profound unity together and the whole earth is going to witness it. And the John 17 that they will be one as I and the Father are one, the epicenter of that reconciliation, on a global stage, is going to be seen in the Middle East. God's plan is that Israel, unbelieving Israel, that God is going to use people from an Arab heritage, muslim nations, Egypt, Arab, Islamic, Persian, He's gonna cause them to reveal the God of Israel to unbelieving Israel. And unbelieving Israel will love them. And they will be one like the Father and Son are, and the whole earth is gonna be shocked because what's happening is that the family of Abraham, Abraham and Isaac,

Isaac and Ishmael, Esau and Jacob, all their family lines. They are going to be healed on a global stage for the whole Body of Christ...Every part of the earth has its' most intense conflict between people groups, But, nothing in history is as intense as as the children of the sons of Ismael and Isaac, Arabs, Egyptians, and Jews in this locked in war of hatred for 4000 years, No racial conflict is more intense than that one or longer. And yet that is the one the Lord is going to use. And He's going to take the Body of Christ and we are all going to be in the story together...Imagine God healing the family of Abraham. I mean, Ismael and Isaac and Jacob and Esau. And their children revealing the God of Israel to Israel, to unbelieving Israel. And then they become best friends and the whole earth is shocked at it. And we are all a part of that story!
