

2020 Election – May 13, 2021 Bob Jones Russia Interview

I had a vision in 1995. And in it the Lord said, There is a man that lives in the first city south of Los Angeles that is going to call you tomorrow to confirm everything that I am going to tell you. And I saw a red army angel general. He was the angel over the Russias. He was ... the captian of the hosts in Russia. And the Lord was standing with him. And this man brought me a white piece of paper, like that, and said “would you be interested in joining the Russian army of God? And I said No! Because the door to Russia is going to close! He said, “You’re a liar. And I looked at the Lord and the Lord nodded that I was deceived. And I said, Russia is going to reequip, and it’s going to attack the south. And this angel said, That’s right! But did you ever see what the army was? I said, It’s a Russian, it’s a red army and he said Yeah, but look, and behind them was a red cross. They are going to carry the cross south into the Moslem nations. Into Europe, And he said some of the greatest evangelists in the world will come out of Russia. And in the last days it will not be the door to Russia that will close it will be the door to the United States that closes and Russia will send evangelists to the United States in the last days. And Bob said, This is totally different than anything I’ve ever heard prophecied. And this angel said A lot of American prophets have prophesied patriotism instead of the truth. And I said, has there ever been any prophecy that prophesied this over... and he said yes, it were 1910. And we’ll begin to send you literature right away of these prophecies. And so one of the main prophecies that come was from a man by the name of Hudson Taylor. I don’t know if you know his prophecy or not. (Did the angel tell you the Hudson Taylor prophesy was true? Nope! I was telling

him that I really don't believe what you are telling me! Cause if this is going to happen, there is going to be a past revelation about it. And he said, "You will get it! In the next three months, I will give you all kind of revelation of what true prophets spoke. And one of the first things, in fact, in my mail the next day was Hudson Taylor's prophesy... That angel said he would send me the literature. And that's all I got for three months. (And the Hudson Taylor) The first one was the first. (and it came how quickly after that angel spoke to you?) The next day! To me, it's the truth. Well a lot of that missionary people when they don't believe in that kind of stuff, they erase it don't they.

Hudson Taylor's End Time Vision of Russia

I have seen a vision.

I saw in this vision a great war that will encompass the whole world. I saw this war recess and then start again, actually being two wars.

After this, I saw much unrest and revolts that will affect many nations.

I saw in some places spiritual awakenings.

In Russia, I saw there will come a general all-encompassing, national SPIRITUAL AWAKENING so great that there could never be another like it. From Russia, I saw the awakening spread to many European countries. Then I saw an all-out awakening, followed by the Coming of Christ

And then that sister from Israel. (Gwen Shaw) Oh no it wasn't Gwen Shaw. (Well she was an abbeyess in the Russian church on the Mount of Olives. And she had gotten the prophecies from Russian starets which are called Russian priests that had prophetic gifts) Yes, they was and others. Well another was from a Russian in Israel. I can't recall what her name was right now. She was like a mother. She had

heard a Russian Priest prophesy what would take place in Russia. (Mother Barbara the Abbess of the Russian Church of Saint Mary Magdalene on the Mount of Olives, Jerusalem) (Father Aristocoli, The Bishop of the Kremlin a seer, a starets, the priest who prophesied end-time happenings – he told them to Mother Barbara as a young girl in Moscow.) There were some other things he said there too wasn't there. France will utterly go reprobate. England will be saved by praying women. America will become the world's police force. And will fall. Is this true? (All those prophecies are those that came from the starets!...) Well, we're in the beginning of all these things, aren't we? (Absolutely) Yup! (In the booklet: *The Light Will Come From Russia* – As told by Gwen Shaw 1978)

Well, all of this was about the seventy years too. Of the Babylonian captivity where Russia would go into it, in the 70 years and so it would end in 89. It started back there in the first world war and the 70 years was up in 89. when the fences come down. (August 1, 1914 – Germany declared war on Russia) – Paris Peace Conference June 1919 = 70 years)

And I was saying – this is totally different than anything I had ever heard prophesied. And he said, these are not true prophecies. That they have prophesied patriotism. And they figured out that Russia – but there will be a third world war, and it will come out of some of the lower moselm nations, but before that will come one of the greatest awalenings that you have ever seen among youth in Russia. And the youth in Russia, when they get a hold of the gifts they have nothing else that excites them they will totally spend their time and their energy to promote the gospel.

I am gong to have to look this over and he said well if it's true, if this prophesy is true, there will be a tragedy right away in Oklahoma City. A building will blow up. And this man

that is in the first city, south of Los Angeles, I want you to give him a word! For me. I want you to tell him, I'm in this thing. This blessing is from me. I'm behind it. So that night, I don't remember exactly when, the next night, in the evening, a man called me and he said Bob, my name is John Connors. And you gave me a word two years ago about I was to go back to Estonia and the Lord gave me a building. It would be the best building in Estonia. I went back there and Bob it cost me \$3500.00. I don't know why it cost him that much. But it was three stories on the land side and five stories on the ocean side, right where he said it was. And were training ministers right now to go into the Russias. And Bob, I really need a word and you've always been there before and two years ago you give me this word and it was exact. And I said, do you live the first city south of Los Angeles? And he said Yes! It's Torrence. And I said, I don't understand it but the Lord said I'm in this thing! I am blessing you. This is a blessing. This is Me. It's OK. And boy it got quiet and I heard like two voices on the line. Then he said, two years ago, a year ago my wife died. And I've gone through hell for a year. And the other day in a conference in Dallas. I looked over to the side and there was a woman who turned around and looked at me and the Lord spoke to me and said, This is your new wife. And as the Lord told him that, she jumped up and ran over to him and said that I'm your new wife! And they said, we just don't know how to trust this thing. I know a man I'll call tomorrow. If this is God, he'll tell me. So the last time I seen them they were. The last time I seen them they were in Minneapolis. And he was still going into the Russias, still going into Russia. And was still active in many of the churches here. I haven't heard from him for a while. John Conner.

So the next thing after that is that explosion in Oklahoma City. Where that Federal building blew up. (n April 19, 1995, around 9:03 a.m., just after parents dropped their children off at day care at the Murrah Federal Building in downtown Oklahoma City, the unthinkable happened. A massive bomb inside a rental truck exploded, blowing half of the nine-story building into oblivion. A stunned nation watched as the bodies of men, women, and children were pulled from the rubble for nearly two weeks. When the smoke cleared and the exhausted rescue workers packed up and left, 168 people were dead in the worst terrorist attack on U.S. soil.)

And so I know then he's was talking about the army that was going to come out of the Russias. Will be a red Christian army. And it will go throughout the world. And I know that one of the main things He was saying and the main reason this Russian army of God wanted me is to begin to mentor revelation gifts. For once they get the revelation there is nothing that can stop them. And the youth that are here today, I believe that's one of their main purposes. Is to take this gift and begin to touch other youth But once the Russian youth are touched, they catch fire. This army is a fire army. I know that the mafia and a lot of things like that rule Russia right now/ They will get saved. They are in there because , mostly in the Russias now there is no hope. And there is no hope for youth. And so He showed me that in the Russias, The Russia, that which is in the earth in Russia hasn't even been touched. The chemicals, the oil, the valuables, All of that hasn't been touched. The Ukraine, none of that has really been properly handled. The Ukraine is when the first fire start. But it explodes in every direction.

And the Russian army of God is recruiting people now. So, this has been going on since 89. The church, really had a

warning of it before that, but they didn't prepare. Jehovah Witnesses did. The Mormons, they were right in there. But what I call the real borned again church was asleep.

If you remember all of the articles before that were: Third World War, Russia is going to do it. It's all set. Well it's been unset. So I have been waiting a long time for the Lord to send me to the Russias and probably to Kiev first. And then north, because I have family there. Bill Lynch and all of them are family with me. And several others of them and a lot of them that's come, there family. These praisers, once you take them there, that's what these youth are doing. Once you take them there they catch on fire. And it doesn't take very long. And so, the greatest awakening of all time will take place in Russia.

So, I saw the angel. There's one angel. (Do you remember anything else that angel said to you that you saw with the Lord...) He said, I will show you. And I will bring the people to you. And I'm going to recruit an army in Russia. That will touch the entire world. They will disciple and touch every corner of the earth. (That's what the angel said to you? He was standing with Jesus.) Yup! (And told you when you said there was a military army coming out of Russia that you were a liar.) Yea, he said that (And said that ...) American prophets have prophesied patriotism. And they prophesied it to the best, for our good. Ah, but Russia is getting ready to awake. (Can you remember anything else that Angel told you that ...) Well nearly all of the rest of it has happened. I believe that Timothy McVeigh, his death was a key time too. An so these things, I saw all of that. I think that everything that is taking place there is a prophesy. Ah, the blowing up of a government building. I believe it was saying that the government of the United States lacks a bunch of things. That

our government – that there is going to be a real shaking in our government. And I think that next year there will be that shaking. Especially in our economy. But Russia's economy is already at the pit. What happens if they get inspired?

That Captain of the Hosts, that Russian angel of God, He was totally red. I mean, he was like blood. And he'll have the power of blood. And he was like blood and fire. (When you say that is your thought the Blood of Jesus or the blood of Martyrdom? Or both?) Ah, I felt that he was fire. And blood. The Blood of Christ that would ... All of the power of the blood. He had the power of the blood. A strange thing. The Lord, when I was really doubting him the worst, The Lord would just nod that he was right. The Lord didn't speak to me. He stood beside him. He was one very very powerful angel. (You have seen this angel on more than one occasion?) Nope! That's the last I have ever seen him. (Was this a vision or a dream or an experience or you were there.?) I was there. And the things that he told me to confirm it they have all happened right now.

Ah this thing with Terry Nichols and everything else I think is still a saying, still a preparation Ah, the opening of the door and I believe that door is getting wider all the time. (You mentioned ... that you also saw, there is a single angel over Lithuania?) Yeah, Latvia, Lithuania, and Finland. ... and Estonia. Can you tell me how that happened and what happened?) The angel spoke to me and I guess at one time they were all real close. There is one angel in there. And he is the angel of the door. And he said, I am going to set, I am going to use these people again and they will keep a door open to the Russias. It will be open both ways. I am also going to awaken those in Sweden. So in Sweden I expect to see literally like a rebellion against wickedness in Sweden. As

I believe you are getting ready to see a rebellion against wickedness in the United States. So this angel I saw there was no where close to the authority of the red army. This red army, I have often thought Who was he? I have saw large angels before at different times, I have saw Gabriel three times and Michael once. In my life. (And this angel compared to them was of similar stature-authority?) Yup, similar authority. I think he is an archangel. By the way there are seven archangels instead of one. I believe he is an archangel over Russia. And I just felt blood and fire. That thing in Atlanta – they had more going for them than they thought. (Did the angel over Lithuania speak to you, a lesser angel) Yup! (Do you remember what he said?) That he was going to start a work there and at different times he's bring people from those and tell them to get ready, to join in with him. That they would be part of the army. That their youth in there would be part of the Russian army. And so it would be like there would be a joining in there. So those that are Christians in Sweden Ah, in these four nations, all of this would be part of what this Russian army is going to do. It will be one of the most powerful movements. It will be an end-time army bringing one billion souls to the Lord, youth. A billion. (...It's going to start in Australia ...and then to Russia and then the world? Is that right) Yup, I saw this Russian army I saw it go right in with the Moslems. And they began to touch Moslem youth. You know, they had the revelation. They knew what to do. And they weren't afraid. I mean, all their life it seems like they been in fear. They were no longer in fear. And they were without number. The greatest awakening of all time will take place in Russia. And so many things started in 89. 15 years ago. The walls come down. Which the United States had been preparing for the third world war. And Russia was devastated overnight. We as a nation believed a lie so easily

and we run at every fear. (now a few minutes ago you ... the door in Russia would be closing?) That's what they were prophesying! That Russia, back there in 89. 90 they were saying we better get the gospel in now for its going to close. And that's not what he told me.! The door will always be open in there. (...after 70 years) It will stay open, no matter what you say, it will stay open. And those that have been plowing over there have been plowing hard ground. But sooner or later there will be an awesome harvest. And I mean in both ways. Ah, Russia will replace the United States as the grain belt. Yup! (And so going back to the bus experience ...Noel Alexander) Yeah, he got a thousand within two or three days from that time. That he never did know what it was. So he gave that thousand to the work. (And then there was a million dollar offering) It was a million four hundred thousand. (Which was given ..) To Terry Law. (It was given to Terry Law) Went right into Russia. It went I think six months after they fallen or just after that. It was Russia, every avenue it went right in there. And so Obner Bosky and all those I have told them the Russian Jew is the one who is going to get saved. (...it would be a billion dollar harvest) Yea, and for every dollar they give it would be a soul. (...) Well the first thing it was a million four hundred thousand. So that meant that there would be one million four hundred thousand Russians come to the Lord right away. So I say they did. I would say that they'd just after that. Bob Weiner and some of those others There was massive evangelism and salvation. And that was only the beginning. (But the seedbed ... it's springing out point was Russia) also the United States was the giver of it. So we will have our bread coming back on the water too. Our main job on all of this was to support what was going to Russia. So the churches have over and over. And they are now. And that's what we are to do. We are to equip

what is going to raise up there. (So did God say anything to you more about that? Because I am thinking what are we ... is helping to seed this) We must, it's our grace. Now in the north, (Has God spoken that to you?) Yeah! (When and how did that happen) Well, way back there in the first, He began to speak to me when I went to Winnipeg Canada. And said, Winnipeg is going to be a place where Jews can come when they come out. And they will begin to come into Winnipeg. Then He begin to send me into the North West. And I began to tell the people in the churches in North West in California and on up, and Canada. Your main calling and your main avenue in the last days Get ready to go to Russia.

So there is all the way across there is a Northern California, Oregon, Washington Ah Canada, there is people that is going into Russia now all the time and just like you all they are going into different places. And they are sowing all the time. But I have always told them the main thing that will happen is that you will go there and you will raise up an army. A Christian army. And what you want to do now is sow seeds in there. So these that are missionaries that are gone over there their churches have financed them. I don't know if you know about all of these others but they are there all the time. They are people that their main commission.... Birmingham Alabama, Other places in Florida, Is Russia. So there is a lot of missionaries in Russia. And I have always felt that Kiev is a main spot in Russia. And that some of the Russian musicians that has come here. They are really gifted. And really dedicated. All you need to do is take them up and begin to let them get the songs of the Lord for themselves. And the army doesn't have any trouble getting hold of it. Religious people do. But people who have no religion have no problem at all with it. And it's now.

(When was it that you actually saw this angel and the Lord ...) A few months before Oklahoma City (April 19, 1995) So I don't remember when that happened in Oklahoma City. (But the Oklahoma City was one of the confirmations that ...) Yeah, it will explode and John Conner called me the next day. So it was a confirmation to me. Not much of the Church had any belief on these things at all. But that army, I saw him. That Bill Lynch and those. I think they left in 89. to go to Russia. And a lot of the others.

So, some of this stuff goes back into the early 70.s. So there has been a preparation in there. I could never understand it because I saw a Russian, a purpose in Russia. But all of these others were saying, the door is going to close, I am sure that you have heard that. (Yes) Well, we can hear those lies and set into our minds as truth. So I just saw these prophecies, I just took it as truth. And they weren't And some of the greatest evangelists that the world has ever seen will come out of Russia.

And they will be doing it with praise. The tabernacle of David will raise up in Russia. And ah, a lot of the works in Russia. I have been invited many times, but it is like I ah, No, you stay here. You will touch the ones He wants touched.

So would you encourage them to go to Russia? I don't think I need to encourage them. I think that they are going. You understand? (Yes sir) I don't have to encourage a group that can hear from God. They can hear now for themselves. So ... In August Martin Smith is bringing a lot of praisers from England over here. About 30 or 40. And they've got some really powerful praise bands. I forget what you call them. But they are a really powerful praise band. They come here last

year. ... And it's starting there. And there are known pretty well all over.

But you need something to catapult the youth of Russia. Cause they have been beat down so long to where they have no options in their life. I believe the American youth are seed. They are seed corn that brings in the greatest harvest that has ever been. So for years I have told the youth in Canada, ah other places, As I say, North West. Learn the customs. That is where your purpose is. Russia. So out in Redding California, out there in all that they have all these tapes. Bill Johnson and all these. They know about this. So youth can touch youth.

Now the reason some of this may not be coming back to me so easy is saying these things when churches have had other agenda's. It sort of brought persecution at me. So a lot of it I sort of put out of my mind. But I know what I saw. And there are places that are going now. All the time.

(And you use the term door opener for Lithuania ...) It's a door. That angel there is nothing but a door. To God's purpose in Russia. And Sweden will be responsible in some way for bringing it in. (story) ...and as far as I am concerned, Hudson Taylor's prophesy was right. Cause that angel said he would send it to me and it was the first one he sent me. (The next day) It was in the mail! (And was it in a letter, like a person, did they explain why they were sending this to you?) Ah It was a woman and they just said, I am told to send you this. So that thing was already set up. (1:00:00) Ah everything I have already told you is on those tapes back there. Noel Alexander and all those I've spoke these things before. I have probably spoke more than this, I just don't have the memory to remember it. (Has God given you any

insight into the time table? How far away from the release of this massive army are we...) We are in the seventh day! It started on the seventh day. It has already started. The thing builds until it explodes. The seventh day was September 18th of 1991. We are in the seventh day now. This will take place in the seventh day. (When was the first day?) Ah, six thousand years ago. We are also in the third day. Since His crucifixion. So He'll raise it up on the third day. The temple of living stone. The temple of His body. It's now. (The tabernacle of praise, The tabernacle of David?) All of that is now. And the plow, Judah, I don't know if you know those prophecies come recently? Hosea Judah praises the plow that will plow their stony heart out of ... It's now. And these young people that are coming out of Russia. Ah, many of them have been bringing their wives with them. Their wives are just as ready as they are. And a lot of their revelation gifts are imparted to the women. Cause most of them are right brained and its easier.

You got any other questions? So this think has been going on for several years. A preparation for it. A building for it. (Where do you see healing fitting into this Bob?) These people that is coming there is no problem. The leaders come and say Hey, we've got awesome healings. These youth are really doing it. Some of the old ones are Healing is no problem in Russia. Cause they don't have faith for a doctor, they can't afford it. So the church is really moving already in healing. I'd say it is exploding. They already are. (Do you think there will be healing rooms in Russia.) I think it would really be awesome if you could train these people that are already doing it. Build a foundation under them where they don't waver in it. But they are already doing it. Ah Blind eyes are opening all the time. I mean it's normal over there. Some of the things they are telling me over there it's just awesome.

Ah the evangelism. Just getting on a street car and begin to speak to people. It's time we take back the thought realm. And we're going to capture that thought realm again. When you do. You can speak good thoughts into people. They have had bad thoughts all of their lives. They are really fertile ground that somebody can speak hope into them. So the power is already there. They just need the revelation gifts to move with it. And that's what this are. This group here are revelation gifts. God has given them as gifts. To the church. God gives good gifts.

Any other questions (Anything else real current that God has said to you about Russia.? ...) I really feel that some of the main timing is next year. But this year is a year to get in and get the seed in. If you are going to go in this year, you need to go in this year to sow seed for next year. Like wheat. You sow it in the summer for this year and it comes next year. This is a year of sowing. Next year is reaping. But we must sow.
