

2020 Election – May 5, 2021

Mike Bickle – A Look Ahead In Light of Luke 4:18 on April 18, 2021- Continued

MB We are just aware that we are in a new season. I don't mean IHOP, yes us, here in this Forerunner Church, I'm talking about the Body of Christ, our city our nation. I'm talking about the earth. The Body of Christ in the earth. We are in a new season in the Holy Spirit. The scriptures we have been focused on or will be focused on, It's the Revelation 3, Jesus telling the Laodicea Church, I'm going to rescue you from a compromising spirit, a spirit of dullness. Psalm 2: where King David prophesied that there would be persecution, even from the state governments and legislations against the Word of God, Acts 2: an increase of Holy Spirit power. Isaiah 19: And that would be the one that would be the most unfamiliar with our larger Body of Christ. Although a number of us have been tracking with Isaiah 19 for some time. And I'll just give you 45 seconds of it, because we're gonna spend a lot of time on it in the months and years ahead. Isaiah 19 a very obscure passage to most people. But it won't be before long, Isaiah 19, I'll pull out one verse. Verse 24, and you could miss it if you read it fast. That the Lord says when all these things happen, His end-time purposes, He is going to bring into profound unity Israel, Egypt and Assyria. And more folks today, most folks go, what's Assyria? Well it was the World Power of Isaiah's day. 700 BC. Assyria would represent 10 or 12 of the middle eastern countries right now today. Syria, Jordan, Iraq, Iran. You know, those kind of nations. The Lord is going to do a work in the days to come, where He's going to take the Arab communities, the Middle

East Islamic Nations, Egypt, the Persians, Iran and Israel and bring them into a profound unity together and the whole earth is going to witness it. And the John 17 that they will be one as I and the Father are one, the epicenter of that reconciliation, on a global stage, is going to be seen in the Middle East. God's plan is that Israel, unbelieving Israel, that God is going to use people from an Arab heritage, muslim nations, Egypt, Arab, Islamic, Persian, He's gonna cause them to reveal the God of Israel to unbelieving Israel. And unbelieving Israel will love them. And they will be one like the Father and Son are, and the whole earth is gonna be shocked because what's happening is that the family of Abraham, Abraham and Isaac, Isaac and Ishmael, Esau and Jacob, all their family lines. They are going to be healed on a global stage for the whole Body of Christ...Every part of the earth has its' most intense conflict between people groups, But, nothing in history is as intense as as the children of the sons of Ismael and Isaac, Arabs, Egyptians, and Jews in this locked in war of hatred for 4000 years, No racial conflict is more intense than that one or longer. And yet that is the one the Lord is going to use. And He's going to take the Body of Christ and we are all going to be in the story together...Imagine God healing the family of Abraham. I mean, Ismael and Isaac and Jacob and Esau. And their children revealing the God of Israel to Israel, to unbelieving Israel. And then they become best friends and the whole earth is shocked at it. And we are all a part of that story!

Hank Kunneman "I Have Been Working Behind The Scenes, But Now I Will Reveal My Hand" 4-25-21

God, make rivers to flow once again in the deserts that will bring truth to a nation. Can God cause from a desert place, things to begin to blossom as truth springs forth from the desert? For the forces of darkness are afraid because of what was done in the desert concerning your election. Things will begin to heat up. The enemy is afraid. The people who know what they've done are sweating. But the rivers flow that could cause other states to say, we shall do the same. I have declared in my Word that you have a belt of truth and God says, look at my fist. I shall use a play on words. I am about to belt with truth with the wind in my fist that shall strike. And this shall not be the only strike that I shall bring. Where hell has been afraid for My hand to move and I have been doing things behind the scenes, but now I will show My hand. And I will when I show My hand, I will wield it with My truth. And the lies, the corruption, the fraud shall go to a whole nother level of exposure. And My hand shall strike, strike, strike, strike, STRIKE upon this nation! And the enemies of darkness shall run as those who do not want a touch of what I will strike shall be found out this day. The same hand that strikes is the same hands that shall bring reset and bring reversal as great removals shall begin to take place. Come on, I want you to do this. (He makes a fist and raises his arm.) When the prophet came to the king in II Kings 13, he said, open the window. Take the arrow, hold that back and strike. God says there is an open window over this house, over this nation. God says, as your voice is lifted, as your hands are raised, DO NOT HOLD BACK! As the prophet put his hands upon the king's hands, God says, listen, My hand is upon this nation. Strike with Me says the Spirit of God! Come on! Some of you just need to do like this. (With arm up and fist made, begins to make a striking movement with his arm.) STRIKE! STRIKE, LORD! STRIKE! LET YOUR TRUTH

REIGN! LET YOUR RIGHTEOUSNESS, YOUR JUSTICE, LET IT REIGN ACROSS THIS NATION! ACROSS THE EARTH! STRIKE! STRIKE! STRIKE! STRIKE! STRIKE! STRIKE! STRIKE! LET THE HOSTS GATHER! With our hands and the hand of the Lord, the enemy must loose now his hold! The demonic veil is ripping across the nation! The lies of the airwaves shall be squelched! I said, says the Spirit of God, the lies of the airwaves shall be squelched! Give us this fourth of July, I pray, a true independence, God! This is our prayer! How many of you will pray this fourth of July there will be an Independence? That we will see the Lord's hand? Come on, somebody begin to pray it out! God, we are asking You to restore and to honor our independence. The land of the free, the home of the brave! We cry out for justice. We cry out for righteousness! We pray for truth and liberty to reign! Give us our nation back, Lord! We the people, we have called upon thy name! We have humbled ourselves! We have turned from our wicked ways and we have sought You! Now God, I pray as Your prophet, not only heal our land, but give us the liberty that we deserve! And our children! Watch for the lightening strike that shall bring fire. Strange fire. And the wind shall blow that will topple a statue. I will show the earth that the enemy's agenda, as satan fell from heaven like lightening, the socialism agenda, because fire shall be the sign. As I stood in My presence as the Philistines put My glory and My presence next to the statue Dagon, it fell and it's limbs were CUT OFF! Look for the sign of the wind and the toppling that shall fall. What does a nation look like filled with glory? You're about to see it. When My glory comes and manifests, darkness cannot and will not rule. There shall be a monument in a new place. There shall be a righteous branch of government. A monument shall arise in the land that they will say in the highest seat office of the land, this monument is not

given to any other name but the name of Yeshua. For He is Lord over the United States of America! You say that is crazy, but God says, you have not seen the future! I AM the Alpha and I AM the Omega and mega blessings are coming upon this land says the Spirit of the living God! COME ON, LIFT UP YOUR VOICES! OH GOD! OH GOD! LET IT BE DONE ACCORDING TO YOUR WORD! WE FEAR YOU, OH GOD! WE HUMBLE OURSELVES BEFORE YOU AND YOUR MAJESTY, OH GOD! WE WORSHIP AND HONOR YOU, OH GOD! YOU ARE GOD AND THERE IS NO OTHER! HOLY, HOLY, HOLY! They have touched something holy. We worship you. Oh, we worship you. Holy is the Lord. There is none like You.
